

### What are the three sections on the homepage?

- Swipe the RPR homepage to view each section.
- a** Search an area or address, including advanced options like searching by schools, owner name, keywords, and more.
- b** Search within a certain radius of your current location.
- c** View local market conditions.
- 1** Set any one of the three homepage sections as your default by pressing the house icon until it turns green.

### PRO TIP

Download the RPR app on your phone or tablet through the Google Play or App Store.  
<http://blog.narrpr.com/mobile/>

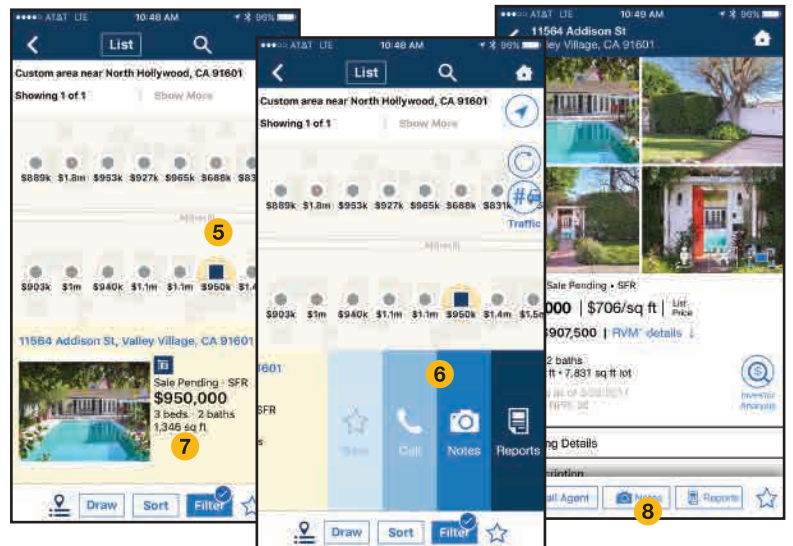

### How do I search for a property using my current location?

- 2** Tap your location on the homepage of the RPR app.
  - a** Choose *For Sale*, *New Listings*, *Recently Sold*, *Distressed Properties*, or *Open House* to narrow your results.  
Note: Distressed and Open House properties appear only when available.
- 3** A map of your area will appear with icons showing properties.
- b** Click on the filter icon to see search filters.
- 4** Pinch and zoom to street level to see public records properties. Press *Redo Search in this Area*.
- Not seeing public records properties? Check that you are zoomed in close enough and that your filter options are not excluding any property statuses.

### How do I view the details of a property from Map View?

- 5** From *Map View*, tap the icon of the property you wish to view.
- 6** Swipe right to left for quick options on the property, i.e., saving the property, calling the agent, taking notes, or running a report.
- 7** Tap the property to view full property details.
- Scroll down to see full property details.
- 8** At the bottom of the screen, tap to call the agent, take notes (photo, text, or voice memo), run a report, or save the property.
