Description

This beautifully renovated (2014/2015) split entry has so much to offer! The kitchen is jam packed w/cabinets w/slider shelves, super & lazy susans, a glass front cabinet, a peninsula with breakfast bar houses a recycle ctr, compactor, usb & cable. French doors from the diningroom lead to the familyroom addition heated by a gas fireplace w/vaulted ceilings & skylights. Exit this sun filled room to the composite deck, overlooking the oversized patio. Under the f/r is a garage that can be used for a separate home office, workshop or store a car or boat. The lower level offers versatility; in-laws, teens, media room, fitness, etc. w/4th bedroom, 3/4 bath and 2nd front to back family room and ample storage provided by 2 double closets. All new, natural millwork & 6-panel doors shine!
